

**CHAMPAIGN COMMUNITY UNIT SCHOOL DISTRICT #4
BUILDING FOR THE FUTURE OVERSIGHT COMMITTEE
INVITATION AND APPLICATION**

(Updated February 26, 2018)

OVERVIEW OF THE BUILDING FOR THE FUTURE OVERSIGHT COMMITTEE

On November 8, 2016, the voters of Champaign Community Unit School District No. 4 approved a \$183,400,000 school building bond referendum to build, equip, modernize and improve eight different school campuses and facilities. In order to ensure community input and oversight relative to these projects, the District is establishing the Building for the Future Oversight Committee. This committee will be comprised of District stakeholders, community stakeholders, and community professionals with experience in building design, real estate development, construction, construction financing, public contracting, and budgeting.

Goal of the Committee: The goal of the committee is to oversee the work of the project team at a high level and ensure community stakeholders and community members have a voice in the decisions being made as the design and construction projects proceed. Board of Education members will lead the committee, participate in sharing information, and take feedback from the committee to District staff for consideration and action.

The District is seeking candidates to fill vacancies for staggered two- and three-year terms on the committee. Members must be residents of the District. District employees, vendors and contractors are prohibited from serving on the committee. The commitment is expected to be approximately one (1) meeting per quarter with approximately 2 hours per meeting.

The Committee will serve in an advisory role to District administration and the Board of Education. While the Committee will not have specific decision-making authority, it will:

- Review the progress of individual projects
- Receive presentations on project information from District staff as well as design and construction management professionals
- Potentially visit project sites
- Review financial information relating to the individual projects
- Serve as an avenue for community and stakeholder feedback on facility projects
- Vet naming requests for components of the projects.

Individuals at least 18 years of age who reside within the geographic boundaries of the District are eligible to apply for appointment to the Committee by completing the attached application and returning it to:

Tom Lockman, Chief Financial and Legal Officer
Champaign Community Unit School District No. 4
703 S. New Street
Champaign, IL 61820

****Applications must be received no later than March 30, 2018.**
