Dear Board Members,

Thank you for the opportunity to speak tonight. Attached is our request to the Board with our suggestions for improving communication between the neighborhoods most directly affected by the Central High School expansion and the School Board.

We were able to gather 47 signatures in the past ~6 days. Moving forward we are reaching out, neighbor to neighbor, so that we may speak to the Board and to City Council with a unified voice on our hopes for Central High School. We hope that you will be willing to continue the conversation with us.

Thank you!
